Hi Robin,

Thanks for your patience and granting us an extension.

On behalf of my DRA, Cheryl Newton, the attachment contains varied examples of Region 5 collaborative work with our state and tribal partners.

Let us know if you have any questions.

Thanks,

**Subject:** State & Tribal/EPA work examples

Hi all -

In follow up to my mention at the end of the DRA/DAA Brown Bag, in preparation for anticipated January/February briefings for the Transition Team and new Administration, we'd like to collect examples of the work that states and tribes, do with EPA. As part of the preparations for the "States and EPA" briefing Region 10 collected 2-3 activities per state (attached are examples), and we'd like to ask you to do the same. We're looking specifically for a brief description of what the activity is, with a focus on the state-EPA and/or tribal-EPA collaborative nature of the work and its result. The thought is, once received, we'd compile the examples and group them by type or area of work to show the diversity of activity across the country. We'll couple this with [the attachment](#) to the 12/7/16 Message from the Administrator on Building a New Era of Partnerships – which provides examples that are more national in nature.

Please send these examples to me, with a cc: to Andrea Barbery ([barbery.andrea@epa.gov](mailto:barbery.andrea@epa.gov)) and Stephanie Vuong ([vuong.stephanie@epa.gov](mailto:vuong.stephanie@epa.gov)) by Tuesday, January 10. The holidays are upon us so if this date isn't doable let me know and we'll adjust. Also, feel free to send them in as you get them.

If you have any questions or have other ideas or suggestions please let either me, Andrea or Stephanie know.

Thank you! Robin
